When a 6-shot just isn’t enough, we also offer our 9-shot series. Spend more time shooting the popular .22 LR or the .22 magnum and spend less time stopping to load and unload. Like all Rough Rider Revolvers, our 9-shot series combines quality, dependability, accuracy, and fire power all into one and yet maintains the affordability that our customers have come to expect.

Exotic Hardwood Cocobolo grips and a lustrous blued finish are standard.

**SPECIFICATIONS**

**6-SHOT BIG BORE REVOLVERS**

Rough Rider... the very image conjured up is of the rugged men lead by Theodore Roosevelt charging up Kettle Hill and San Juan Hill over 100 years ago during our war with Spain. The more popular image is of our US Cavalry riding through the western plains carrying the gun that helped conquer the West during the thrilling days of the late 1800s. Noted for its power and reliability, it was the most popular full sized revolver of its time. That same image of ruggedness might also be applied to the newest Big Bore Rough Rider revolver from Heritage. An almost exact replica of the 3rd Generation Colt Single Action Army. Most parts are interchangeable.
